

## **High Beech C of E Primary School Pupil Premium**

### **What is the Pupil Premium?**

The Pupil Premium was introduced in April 2011. It was allocated to children from low income families who were known to be eligible for free school meals in both mainstream and non-mainstream settings, and children who had been looked after continuously for more than six months.

### **How should schools use Pupil Premium?**

Schools are free to spend the Pupil Premium as they see fit. However they are responsible for how they use the additional funding to support pupils from low-income families and the other target groups. From September 2012, the government also requires schools to publish online information about how they have used the Premium.

**For the financial year April 2017 to March 2018,** the school received funding of **£6,600** through Pupil Premium.

As the number of PPG pupils is extremely low, publication of information around the barriers to educational achievement and how the pupil funding will be spent to address those barriers could lead to the identification of these pupils.

### **Review of 2016/2017 Funding = £1320**

As the number of PPG pupils was extremely low, publication of information around the barriers to educational achievement and how the pupil funding will be spent to address those barriers could lead to the identification of these pupils.

For more information about pupil premium funding at High Beech School, please contact Sarah Roffey (Headteacher)

### **Next Review of Pupil Premium Funding – January 2018**
