“Nurturing Spirit, Developing Knowledge, Realising Potential”

E Safety

I would like to draw your attention to an app called **Movie Star Planet**. The app looks innocuous, however children at a recent e-safety roadshow, have described having online ‘boyfriends’ and ‘girlfriends’. They have also reported that they have been sent inappropriate comments and indecent images.

Please could you check to see that if your child uses this app, that they are safe.

Thank you.
