## 28th September 2018

“Nurturing Spirit, Developing Knowledge, Realising Potential”

### First Aid Training

On Tuesday, Danny Hyde held first aid workshops for parents in the morning and for children in Silver Birch Class in the afternoon.

They were extremely informative and hopefully will equip them with vital life saving skills.

We understand that there were parents who were unable to attend the workshop during the day so we are pleased to announce that we will be holding a repeat of the parent workshop on **Wednesday 14th November 6.30—8.30 at school** at a cost of **£20 per person**.

Please could you register your interest with the school office.

### Headteacher's Awards

**Isabella and Daisy** for getting changed so quickly for P.E.

**Tom M** for great reading and **Harry** for super history work

**Grace** for fantastic phonics and maths work
