

HIGH BEECH BULLETIN

5th October 2018

“Nurturing Spirit, Developing Knowledge, Realising Potential”

Enterprise Week

On the week beginning 26th November we will be running an **Enterprise Week** for all the children in the school.

The aim of the week is to develop the children’s knowledge and understanding of how money is spent designing and making products and how businesses are run.

To support them in this, we are hoping to hear from any parents/ carers who have set up a business of their own or who works for a company that could offer something to the school.

We would love to have some of you visit during the week and hopefully inspire our children.

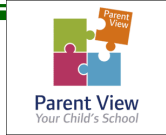

The products that each class make will be sold at the **Christmas Fair on 30th November**.

Parent View

As we are due an Ofsted Inspection this year, we would really appreciate if you logged on to Parent View on <https://parentview.ofsted.gov.uk/>

Here you can answer questions about our school and Ofsted use this to help inform their judgements.

Thank you.

Friends Meeting

First of the Year!!

Friday 12th October 1.30 p.m.

(Before sharing Assembly)

Please come along and support the school.

Everyone welcome.

Birthdays in School

We know that children like to celebrate their birthdays. However we are promoting healthy eating and so we are requesting that children do not bring in cakes or sweets to share with their class mates.

Thank you for your support in this matter.

Headteacher’s Awards

Jessica B for super reading.

Matthew for being really kind to others and for persevering with his work

Lani for getting her pen licence

Rae for super science work
