### 5 Live

We were lucky to be visited by a Quintet from Essex Music Services on Tuesday.

They demonstrated how to play a variety of musical instruments including a flute, a bassoon, a French horn, a clarinet and an oboe. The children also got the chance to try out all of the instruments.

Essex Music Services provides individual lessons which are normally 20 minutes per week with the option for beginners to share lessons with another child. Details about lessons can be found here:

<https://www.essexmusicub.org.uk/site/schools/instrumental-lessons>.

The service offers a tuition discount system that enables all children to have the opportunity learn an instrument. Details about the offers can be found here:
