“Nurturing Spirit, Developing Knowledge, Realising Potential”

Public Speaking Competition

Congratulations to:

Rae, Lois and **Alicia** who entered the Annual Public Speaking Competition organised by the local primary schools.

The topic of the speech was:

If I ruled the world...

We were so impressed with how well they planned and presented their speech.

They came second!

Well done.

Silver Smarties Challenge

Your child will be bringing home a tube of smarties to eat and in return they can fill the tube with 20p coins. To earn the coins, they need to do odd jobs around the home.

The Friends are aiming to raise £500 towards a set of I pads and charging trolleys for the school.

Thank you for your support.
