### Garden pots/ planters

We would like to make our school a prettier place by adding some flowers around the playground.

If you have any large pots or planters that you no longer require, we would love to use them.

Also if you have any flowers that you would like to donate to us, we would really appreciate it.

Please let the office know if you can help us.

Thank you for your support.

### Recycling Water Bottles

This week the School Council has decided that High Beech should use reusable water bottles rather than one use plastic ones to make the environment a cleaner place.

Please support us by bringing in your reusable water bottles.

Thank you.
